

Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

Northern Trust Europe Value ESG Fund: Unit Class A GBP A Fund of Northern Trust UCITS Common Contractual Fund

ISIN: IE00BDCRL627

Management Company: Northern Trust Fund Managers (Ireland) Limited

OBJECTIVES AND INVESTMENT POLICY

The investment objective of the Fund is to deliver long-term capital growth by investing in equities (that is shares and other similar kinds of assets) issued by or relating to companies included in the MSCI Europe Index which exhibit certain characteristics, namely value, quality and momentum factors excluding securities that do not meet certain environmental, social and governance (ESG) criteria.

The Fund may use derivatives and other financially linked instruments (such as currency forwards and exchange traded futures) to achieve its objective and to reduce risk, minimise costs or generate additional capital or income.

Target Market: This Fund is appropriate for clients looking for a passively managed investment in the relevant market(s) who plan to invest over the long

term; for example 5 years or more. This Fund may be appropriate for clients who seek a fund which features tax transparency.

Income gains on your units can either be distributed or re-invested annually at your request.

You can buy or sell units daily (on each business day of the Fund). An application must be received by the Fund's administrator before 12.00pm (Irish time) on the relevant dealing day.

Risk and Reward Profile

1	2	3	4	5	6	7
---	---	---	---	---	---	---

- Historical data may not be a reliable indication for the future.
- The risk category shown is not guaranteed and may shift over time.
- The lowest category does not mean 'risk free'.

The risk indicator was calculated incorporating simulated historical data and may not be a reliable indication of the future risk profile of the Fund.

The rating is based upon changes in prices of the equities held by the Fund. Investments in other countries are affected by exchange rate risk, where the currencies may fluctuate in value.

Performance volatility can be increased or reduced due to fluctuations in the currencies represented within this document.

The following risks are material in addition to the risks captured by the indicator above:

Liquidity Risk – Some recognised exchanges are less liquid or more volatile which may affect the price received and time taken when selling investments. Small capitalisation companies are also less liquid and this may result in fluctuations in the price of shares.

Investment Risk - The Fund may not achieve its investment objective. An investment in any Fund involves investment risks including possible loss of the amount invested.

Futures and Options Risk - In case of bankruptcy of the broker, there is no guarantee collateral held by the broker will be returned to the Fund. In the event of bankruptcy of the counterparty, the option premium and any unrealised gains may be lost.

Valuation Risk - A position in the Fund may be valued incorrectly, as some prices may be uncertain at a point in time.

For more information about risks, please see the section entitled "Risk Factors" of the Fund's prospectus and supplement, which are available at www.northerntrust.com/pooledfunds.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	No charge
Exit charge	1.00 %
This is the maximum that might be taken out of your money before the proceeds of your investment are paid out.	
Charges taken from the Fund over a year	
Ongoing charges	0.24 %
Charges taken from the Fund under certain specific conditions	
Performance fee	No charge

The entry and exit charges shown are maximum figures and in some cases you may pay less.

A charge of up to 1% may be applied to your investment to meet any transaction costs. This charge could exceed 1% in exceptional circumstances. Contact your financial advisor or distributor for actual entry/exit charges.

The on-going charges figure is based on estimated expenses. This may vary from year to year. It excludes:

- o Performance fees;
- o Portfolio transaction costs, except in the case of any entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking.

For more information about charges, please see the section entitled "Fees and Expenses" of the Fund's supplement to the prospectus, which is available at www.northerntrust.com/pooledfunds.
