The disclosure of personal information to the third parties set out above may involve the transfer of data to the USA and other jurisdictions outside the European Economic Area (“**EEA**”) in accordance with the requirements of the Regulation. Such countries may not have the same data protection laws as your jurisdiction.

The Manager and its duly authorised delegates shall apply appropriate information security measures designed to protect personal data in its or its delegates’ possession from unauthorised access by third parties or any form of computer corruption.

The Manager has authorised the Administrator as its agent to put in place Standard Contractual Clauses with relevant parties to whom personal data will be transferred. Please contact the Administrator for copies of the Standard Contractual Clauses that have been entered into on behalf of the Company. Any transmission of personal data by the Manager or its duly authorised delegates outside the EEA shall be in accordance with the conditions in the Regulation.

The Manager shall notify you of any personal data breach affecting you that is likely to result in a high risk to your rights and freedoms.
