12 SIGN YOUR NAME

This application must be signed by a duly authorized officer or other person on behalf of the investor.

- I have received and read the current summary prospectus or prospectus for the Portfolios being invested in. I agree to be bound by all terms, conditions and account features selected in any and all parts of this application and the applicable Portfolio prospectus, as amended from time to time.
- I understand that I can lose money by investing in the Portfolios. Although each of the Portfolios seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. The share price of the Prime Obligations Portfolio will fluctuate, when you sell your shares they may be worth more or less than what you originally paid for them. The Prime Obligations Portfolio may impose a fee upon sale of your shares or may temporarily suspend your ability to sell shares if such Portfolio's liquidity falls below required minimums because of market conditions or other factors.
- I understand that an investment in a Portfolio is not a deposit of any bank and is not insured or guaranteed by the Federal Deposit Insurance Corporation, any other governmental agency, or The Northern Trust Company, its affiliates, subsidiaries or any other bank. The Portfolios' sponsor has no legal obligation to provide financial support to the Portfolios, and you should not expect that the sponsor will provide financial support to the Portfolios at any time.
- The Northern Trust Company and/or its affiliates provide investment advisory and other services to the Northern Institutional Funds and receive fees for such services.

- Federal law requires Northern Institutional Funds to obtain, verify and record identifying information, which may include the name, residential or business street address, taxpayer identification number or other identifying information, for each investor who opens an account with Northern Institutional Funds. Applications without the required information, or without an indication that a taxpayer identification number has been applied for, may not be accepted. After acceptance, Northern Institutional Funds reserve the right to (1) place limits on transactions in any account until the identity of the investor is verified; or (2) refuse an investment in Northern Institutional Funds; or (3) redeem shares and close an account in the event that an investor's identity is not verified. **Northern Institutional Funds and its agents will not be responsible for any loss in an investor's account resulting from the investor's delay in providing all required identifying information or from restricting transactions or closing an account when an investor's identity is not verified.**
- Under penalties of perjury, I certify that: (1) the number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me) and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and (3) I am a U.S. person (including a U.S. resident alien). (Cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return.) **The IRS does not require your consent to any provision on this application other than the certification required to avoid backup withholding.**
- For Corporations, Trusts, or Other Entities, Northern Institutional Funds may, without inquiry, act only upon the instructions (whether oral, written, or provided by wire, telecommunications, or any other process) of any Persons purporting to be an authorized person as named in the Corporate Resolution, or other acceptable document evidencing authority which was last received by Northern Institutional Funds. Northern Institutional Funds shall not be liable for any claims, expenses (including legal fees), or losses resulting from Northern Institutional Funds having acted upon any instruction reasonably believed genuine.
- If the Transfer Agent cannot locate the investor, the investor's account may be deemed legally abandoned and then escheated (transferred) to the appropriate state's unclaimed property administrator in accordance with statutory requirements.
- I affirmatively elect into the cost basis election indicated in Section 3, and not the defaulted cost basis method of the Fund(s).
